CHOICES | LAUSD UNIFIED

Description:	strategies and technology to engage students in investigation and discovery. This hands-on approach captures natural curiosity and stimulates interest, thereby building understanding and quality performance. There is a greater focus on those activities that allow students to engage in real world problems, actively participate in project-based assignments and experience learning activities that lead to higher level thinking. Finally, students will learn how these subjects integrate with other disciplines. All schools listed will include at least one discipline of STEM.
Grades:	6-8
Address:	312 N RECORD AVE LOS ANGELES 90063
Phone:	(323)266-5400
Program Capacity 2026-2027:	145

arts complementing academic classes. We value the development of the individual's unique interests, abilities and skills. We offer two levels of Robotics: Vex IQ and EXP. Our robotics program has advanced to VEX IQ state finals the past four years of its inception. MESA, (Mathematics, Engineering, Science Achievement) is a STEM course offering that provides students with real world opportunities to apply science, math and engineering principals to compete with other schools at California State University Los Angeles. The art component of our S.T.E.A.M. program includes three music courses: Band, Orchestra and Mariachi. Our elective course offerings undergird and enrich our students S.T.E.A.M. experience leading to overall mastery of learning and academic outcomes.
