CHOICES | LAUSD UNIFIED

Description:	strategies and technology to engage students in investigation and discovery. This hands-on approach captures natural curiosity and stimulates interest, thereby building understanding and quality performance. There is a greater focus on those activities that allow students to engage in real world problems, actively participate in project-based assignments and experience learning activities that lead to higher level thinking. Finally, students will learn how these subjects integrate with other disciplines. All schools listed will include at least one discipline of STEM.
Grades:	6-8
Address:	4765 E FOURTH ST LOS ANGELES 90022
