CHOICES TIMELINE

OCTOBER/NOVEMBER

On-time Application Window

What should I look for?

- Visit Choices.LAUSD.net to learn about our Choices programs
- Review program eligibility criteria, if applicable, and application guidelines

What do I need to do?

- Check your application for errors prior to submission
- Current students should make sure student/parent information is updated and accurate at the school site
- Submit your application online on or before the November 6, 2026 deadline. Only online applications will be accepted.

Gifted Magnet/Highly Gifted Magnet/SAS/IHP Verification

Applicants to the Following Programs Only

- **GIFTED/HIGHLY GIFTED MAGNET**
- **SAS/IHP**

What do I need to do?

- If applying to Gifted Magnet, Highly Gifted Magnet, Schools for Advanced Studies (SAS), or Individualized Honors Programs (IHP), it is the responsibility of the parent/guardian to review and follow verification of eligibility requirements by the deadline. Verification of eligibility information is outlined on pages 6-7 of this brochure and in the Terms and Conditions of the Choices application.

DECEMBER

Confirmation/Correction Notification

What should I look for?

- Errors on your application
- Magnet Priority Points, if applicable (for information, please see page 18)
- Verify sibling information is accurate

What should I look for?

- Review the letter and make corrections by the deadline indicated on the letter

JANUARY

Program Eligibility Notification

Applicants to the Following Programs Only

- **GIFTED/HIGHLY GIFTED MAGNET**
- **SAS/IHP**
- **EARLY/MIDDLE COLLEGES**

What should I look for?

- **Eligible -** Application proceeds to the selection process
- **Ineligible -** Program application is dropped for each ineligible choice

What should I look for?

- No action required
- **Eligible -** Does not mean selected

FEBRUARY

Selection/Waiting List Notification

ALL Applicants

What should I look for?

- **Status -** Selected or Waiting List

What do I need to do?

- **Selected -** Accept/decline online or contact the school by the deadline. No response is considered a decline. All declines are final.
- **Waiting List -** No action required. The school will notify you if a space becomes available. We encourage you to submit late applications to other programs (for information, see page 5).

Only online applications will be accepted

On-Time Application Window
October 1- November 6, 2026

Late Application Window Opens
December 1, 2026

TABLE OF CONTENTS

Information, Program Eligibility, Paper Application & Global Index — PAGES 4-15

Magnet Programs
Magnet is a voluntary integration program that provides rigorous, high-quality, theme-based instruction to facilitate student learning and promote academic achievement. — PAGES 16-38

Permits With Transportation (PWT)
PWT is one of Los Angeles Unified's original integration programs and was established to provide students with integrated school experiences at pre-identified schools within our district. — PAGES 39-40

Multilingual Multicultural Programs (MMP)
Dual Language Education students learn two languages and strengthen their sociocultural skills, becoming bilingual and biliterate. International Newcomer Academy students develop formal academic English skills and content knowledge to fulfill A-G graduation requirements. — PAGES 41-53

Schools for Advanced Studies (SAS)
K-12 schools receive the SAS designation for exemplary practices in meeting the unique academic and social-emotional needs of gifted/advanced learners. Individualized Honors Programs (IHP) and Single Gender Academies are also available. — PAGES 54-60

Early/Middle Colleges
Early/Middle Colleges are specialized educational programs located on the campus of local community colleges. These programs are designed to expand college access and success and offer rigorous, student-centered programs that blend high school and college coursework with some programs providing the opportunity to earn an AA degree. — PAGES 61-62

Affiliated Charter Schools
Affiliated Charter Schools are semi-autonomous District schools with instructional program flexibility to meet the needs of a diverse student population. Students outside of the resident attendance boundary and Los Angeles Unified boundaries may apply. — PAGES 63-66

Other Los Angeles Unified Programs
Los Angeles Unified offers school choice programs in addition to the six Choices options. Learn more about high school Zones of Choice, districtwide Open Enrollment, Virtual Academies and other public schools. — PAGE 67

INFORMATION

HOW DOES THE CHOICES PROCESS WORK?

There is a unique selection process for each Choices program. For information, please refer to the following sections:

MAGNET PROGRAMS | PAGES 16-38

PERMITS WITH TRANSPORTATION | PAGES 39-40

MULTILINGUAL MULTICULTURAL PROGRAMS| PAGES 41-53

SCHOOLS FOR ADVANCED STUDIES | PAGES 54-60

EARLY/MIDDLE COLLEGES | PAGES 61-62

AFFILIATED CHARTER SCHOOLS | PAGES 63-66

HOW TO APPLY FOR CHOICES PROGRAMS?

- **Pick Your Programs:** Applicants can apply for up to six programs and multiple schools within each program on just one application.
- **Do Your Research:** Before applying, it is a good idea to contact the school in which you are interested. The school can tell you about information sessions, tours, uniforms, and transportation (if available).
- **Only Apply to Programs You Want to Attend:** Applicants that apply to more than one choice per program, and are not selected, will ONLY be waitlisted for their first choice (except Affiliated Charter Schools).
  - **Second and third choices are optional.**
  - Current magnet students that apply to another magnet program and are selected will automatically lose their seat regardless of whether or not they accept.
- **Check the Eligibility Requirements:** Make sure to check the eligibility requirements and verification procedures for each program before applying. Some programs have extra steps to verify if the applicant meets the requirements.
- **Apply On-time:** Apply online at Choices.LAUSD.net .The on-time application for the next school year is October 1st through November 6, 2026.

ALREADY ENROLLED IN A CHOICES PROGRAM?

- **New Application:** If the applicant was on a waiting list last year and wants another opportunity, or wants to switch programs, they will need a new application. Applicants also need to apply if they are culminating, i.e. from elementary to middle school.
- **Already Enrolled:** If the applicant is already in a Choices program and wants to stay there, they do not need a new application.

HAVE SIBLINGS?

- **Twins and Triplets:** If the applicant is a twin or triplet, all siblings need to live at the same address. Twins/triplets must submit separate applications to the same program (first choice only) in the same year to be placed consecutively during the selection process.
- **Sibling Priority:** Sibling priority only applies to currently enrolled siblings of students that will attend the same program next school year. To receive sibling priority, applicant(s) need to list all of the siblings on the application. Siblings must live at the same address. Make sure the address is correct in the system before the application deadline.

READY TO START SCHOOL?

- **Check Available Grade Levels:** Not all Choices elementary programs offer Transitional Kindergarten (TK). A list of schools that offer TK is in the Choices Brochure.
- **Age-Grade Eligibility is required for Transitional Kindergarten, Kindergarten, and 1st Grade.**
  - **Transitional Kindergarten (TK):** TK is a two-year Kindergarten program for children turning 4 by September 1st.
  - **Kindergarten:** Kindergartners must turn 5 by September 1st.
  - **First Grade:** First graders must turn 6 by September 1st.

ADDITIONAL INFORMATION

- **Applications:** If multiple applications are submitted for the same applicant, only the first one is considered.
- **Attend:** If the applicant is not enrolled and attending school by the first week, they will lose their Choices seat.
- **Double-Check Your Application:** It is up to the applicant to make sure that all information is correct.

INFORMATION

WHAT HAPPENS AFTER APPLYING?

- **Selection/Waiting List Notification:** During early February, all on-time applicants with eligible choices will receive a Selection/Waiting List Notification email.
- **Selected Applicants:** "Selected" means that the applicant has been offered a seat to a Choices program. The selected applicant must accept or decline the offer online or by contacting the school.
  - Selected applicants can only accept ONE Choices placement.
  - If the applicant is selected into another program and accepts it, they will be dropped automatically from their current placement. For Magnet Programs ONLY: If the applicant is selected into another magnet program, they will be dropped automatically from their current magnet program regardless if the placement is accepted or declined.
  - If an applicant is selected to a program and accepts the offer, this will not affect the applicant's waitlist status for other programs.
  - If no response is received by the deadline, it is considered a decline. All declines are final.
- **Waitlisted Applicants:** "Waiting List" means that the applicant has been placed on the school's waitlist. Applicants will be placed on a waitlist for their first-choice only (within each program). Affiliated Charter Schools will put the applicant on a waitlist for all the schools to which they applied.
  - The applicant will be contacted directly by the school ONLY if a waitlist seat becomes available and the applicant is next on the list.
  - A waitlist seat may be offered up until the fourth week of the first semester or the second week of the second semester. Exceptions: Multilingual Multicultural Programs and Affiliated Charter School applicants remain on the waiting list until the end of the academic year to which they applied (see program information for details).

NEED TO MAKE A CORRECTION OR CHANGE?

- **Online Updates:** Applicants can update their online application until November 6, 2026.
- **Application Withdrawals and Corrections:** Email ApplyforSchools@lausd.net by December 18, 2026, or mail the request to Choices, P.O. Box 513307, Los Angeles, CA 90051.

MISSED THE CHOICES ON-TIME DEADLINE?

- Late Choices applications for the 2027-28 school year are accepted starting December 1, 2026.
  - Late applications will be added to the end of the waiting list.
  - The school will only contact you if a seat opens up and your child is next on the waiting list. A waitlist seat may be offered up until the fourth week of the first semester or the second week of the second semester. Exceptions: Multilingual Multicultural Programs and Affiliated Charter School applicants remain on the waiting list until the end of the academic year to which they applied (see program information for details).
- Applying late to additional schools will not affect your on-time application.
- Late applicants can apply to as many programs as they want, but each choice requires a separate application.
- Late applicants to Gifted/Highly Gifted Magnet Programs and Schools for Advanced Studies (SAS) must meet required, program specific criteria, however, verification of eligibility is processed at the school site.
  - Verification of Eligibility forms for late applicants, if applicable, must be submitted directly to the school of choice when the parent/guardian is contacted by the school about an available seat. For more information, visit: Choices.LAUSD.net.

TRANSPORTATION

Transportation may be available for students residing within Los Angeles Unified boundaries. Please visit the Transportation Services Division website at www.lausd.org/transportation or log into Parent Portal to complete the opt-in process. You may also contact the school to inquire about transportation options.

NEED HELP?

Need Help? To learn more about specific schools, please contact the program(s) you are interested in for more information. For application support, call the Choices Support Line at (213) 241-4177 or email applyforschools@lausd.net.

INFORMATION

CRITERIA FOR GIFTED/HIGHLY GIFTED MAGNET PROGRAMS AND SCHOOLS FOR ADVANCED STUDIES

To be eligible for Gifted/Highly Gifted Magnet Programs or Schools for Advanced Studies (SAS), students must meet the applicable program eligibility criteria and complete all required verification processes by the stated deadlines. Applications will not be included in the selection process if eligibility requirements are not met by the deadline. Students must live within Los Angeles Unified School District (LAUSD) boundaries at the time of application and while participating in the program, with the exception of applicants to SAS Single Gender Academies and Individualized Honors Programs (IHP), which are open to students living outside LAUSD boundaries.

ELIGIBILITY FOR HIGHLY GIFTED MAGNET PROGRAMS

To be eligible for Highly Gifted Magnet Programs, students must be identified by LAUSD as:

- Highly Gifted (HG): Scoring at the 99.9 percentile rank on an Intellectual Ability assessment administered by a designated LAUSD GATE psychologist **OR**
- Highly Gifted Applicable (HGA): Scoring at the 99.5 to 99.8 percentile rank on an Intellectual Ability assessment administered by a designated LAUSD GATE psychologist.

Upon receipt of the application, the District will automatically check LAUSD records for eligibility. If the applicant was identified as HG or HGA in LAUSD and is currently attending a private school (including in-home private school), independent charter or other non-LAUSD school, the parent/guardian must submit a *Verification of Eligibility* form to ensure that the applicant is included in the LAUSD database (see Verification). Parents/guardians may email Gifted/Talented Programs at GATE@lausd.net to confirm if the student is eligible to apply to a Highly Gifted Magnet Program. Students must be assessed and identified as HG or HGA before the deadline to be eligible for on-time application and selection.

ELIGIBILITY FOR GIFTED MAGNET PROGRAMS AND SCHOOLS FOR ADVANCED STUDIES (SAS)

To be eligible for Gifted Magnet Programs or Schools for Advanced Studies (SAS), a student must meet one of the following criteria before the deadline:

Ⓐ **The student has been identified by LAUSD as gifted in one of the following categories:**

- Intellectual Ability (including gifted, highly gifted, or highly gifted applicable)
- High Achievement Ability
- Specific Academic Ability
- Creative Ability
- Leadership Ability

Upon receipt of the application, the District will automatically check LAUSD records for eligibility. If a student was previously identified by LAUSD but is currently attending a private school (including in-home private school), independent charter school, or other non-LAUSD school, a *Verification of Eligibility* form must be submitted so the student can be included in the LAUSD database **OR**

Ⓑ **The student received national percentile scores of 85 or above or Advanced/Standard Exceeded on a District-approved standardized achievement test OR**

Ⓒ **The student demonstrates the ability to meet ALL FOUR critical thinking and problem-solving skills (in primary language):**

- ✔ Explain meanings or relationships among facts, information, or concepts that demonstrate depth and complexity
- ✔ Formulate new ideas or solutions and elaborate on the information
- ✔ Use alternative methods in approaching new or unfamiliar mathematical problems
- ✔ Use extensive vocabulary easily and accurately to express creative ideas

The student's school determines whether the student demonstrates all four skills, shows the ability or strong potential to work two years above grade level in academic subjects, and, for SAS kindergarten applicants, meets the applicable kindergarten eligibility requirements. The eligibility recommendation submitted by the principal of the student's current school is final. Late verification will **not** be accepted for on-time applicants.

ADDITIONAL REQUIREMENT FOR INDIVIDUALIZED HONORS PROGRAMS (IHP)

Students applying to an Individualized Honors Program (IHP) must:

- ✔ Meet one of the SAS eligibility criteria above **AND**
- ✔ Receive an eligible score on the IHP assessment (see IHP section)

INFORMATION

VERIFICATION PROCEDURES

If your child is not currently identified as gifted by LAUSD (criterion A), eligibility may be verified through standardized achievement test data (criterion B) or demonstrated critical thinking and problem-solving skills (criterion C). Students applying to a new school/program or transitioning from elementary school to middle school, or middle school to high school, must be reverified by their current school as eligible to continue in a Gifted Magnet Program or School for Advanced Studies (SAS). Review the section below that corresponds to your child's current school enrollment status.

CURRENT LAUSD STUDENTS

Students currently enrolled in an LAUSD school **do not** need to submit a *Verification of Eligibility* form. Upon receipt of the application, the District will automatically check LAUSD records for eligibility. Families may contact their child's current LAUSD school if they have questions about eligibility.

STUDENTS APPLYING FROM A PRIVATE SCHOOL, INDEPENDENT CHARTER SCHOOL, OR OTHER NON-LAUSD SCHOOL

Parents/guardians must ensure that the student's current school submits the required *Verification of Eligibility* form by the deadline. This requirement also applies to incoming kindergarten SAS applicants attending a non-LAUSD preschool or transitional kindergarten (TK).

1. Visit Choices.LAUSD.net (select Magnet or SAS and click "Who is eligible?") to download the *Verification of Eligibility (SAS Kindergarten)* form or *Verification of Eligibility (Grades 1-12)* form, or call (213) 241-4177 to request the form.
2. Complete the student and parent information sections, sign and date.
3. Provide the form to your child's current school so school staff can complete the required sections.
4. Once completed, school personnel (not the parent/guardian) must email the signed *Verification of Eligibility* form to giftedverification@lausd.net no later than **November 20, 2026**. The school will receive an email confirmation when the form is received.

Important Reminders

To be considered for selection, parents/guardians are responsible for ensuring:

- A Choices application is submitted by **November 6, 2026 AND**
- The student's current school submits the *Verification of Eligibility* form by **November 20, 2026**

A *Verification of Eligibility* form is **not** an application. Late forms will **not** be accepted for on-time application and selection.

STUDENTS APPLYING FROM AN IN-HOME PRIVATE SCHOOL (PRIVATE SCHOOL AFFIDAVIT) OR NOT ENROLLED IN SCHOOL

An alternate verification process is available for in-home private school applicants without a verifying organization and kindergarten SAS applicants who are not enrolled in preschool or TK. This process includes submitting evidence demonstrating the student's advanced skills, characteristics, and potential. Parents/guardians must email GATE@lausd.net with the subject line "Verification Process" no later than **November 20, 2026**, to request the verification.

Important Reminders

To be considered for selection, parents/guardians are responsible for ensuring:

- A Choices application is submitted by **November 6, 2026 AND**
- The alternate verification process is requested by emailing GATE@lausd.net by **November 20, 2026**

Late requests will **not** be accepted for on-time application and selection.

The Magnet program helped me understand that there are many different areas and opportunities within urban planning and design. It encourages every student to explore new interests, try new things, and learn along the way.

-STELLA

MAGNET PROGRAMS

MAGNET PROGRAMS INFORMATION

WHAT ARE MAGNET PROGRAMS?

The Los Angeles Unified magnet schools/centers are voluntary programs established through an integration court-order to address the five harms of racial isolation: Low Academic Achievement, Low Self-Esteem, Lack of Access to Post-Secondary Opportunities, Interracial Hostility and Intolerance and Overcrowded Conditions. Some magnets are full school programs while others are located in residential schools with access to all activities and experiences.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

Magnets provide rigorous, high-quality, theme-based instruction in alignment with the Los Angeles Unified's goals: 100 percent graduation, proficiency for all, 100 percent attendance, parent, community and student engagement, school safety, and building a solid foundation for early learners. Each magnet falls within one of seven instructional themes: Career and Social Entrepreneurship, Centers for Enriched Studies, Gifted and Highly Gifted, Liberal Arts, New Media, Science/Technology or Visual and Performing Arts.

The earliest grade offered is kindergarten. However, most magnet schools offer a non-magnet Transitional Kindergarten (TK) as part of their residential program with the exception of: 32nd Street/USC, Academy for Enriched Sciences, Arroyo Seco, Balboa, Community, Lake Balboa, Melrose, Mid-City, Open, Point Fermin, South Shores, Vintage, and Westside.

WHO IS ELIGIBLE?

All students in grades K-12 and residing within the Los Angeles Unified boundary are eligible to apply including English Learners, Standard English Learners, students with disabilities, and gifted/talented students. Post office boxes are not accepted. Only Gifted and Highly Gifted Magnets (pages 23-26) require specific eligibility criteria (pages 6-7) for selection. Magnet programs require parents to mark ONE federally identified ethnicity/race category on the application to be processed.

HOW ARE STUDENTS SELECTED?

The on-time student selection process is based on the Magnet Priority Point System and the need to maintain a racially balanced enrollment, and by available space.

It is the parents/guardians responsibility to verify the student's address, grade and ethnicity prior to the application deadline.

APPLICATION GUIDELINES AND SELECTION PROCESS:

- Do not submit a new application if your child is currently enrolled in a magnet and wishes to continue at the same magnet. Applicants currently enrolled in a magnet who apply and are selected for another magnet will automatically be dropped from their current magnet, whether they accept or decline.
- You may apply to up to three different magnet programs. The second and third choices are optional.
- Magnet Priority Points are considered for each magnet choice and used when selected to a magnet.
- If not selected to their first choice, the applicant will be considered for their second and/or third choice, if any.
- If selected to any one of their choices, the applicant will not be on the waiting list for the other choice(s).
- If not selected into a magnet, the applicant will be placed on the waiting list for their first choice only.

COMPTON UNIFIED SCHOOL DISTRICT (CUSD) APPLICANTS

Los Angeles Unified, in cooperation with the Compton Unified School District (CUSD), offers a limited number of 9th grade openings at the King-Drew Magnet High School of Medicine and Science. These openings are ONLY available to residents of CUSD.

If you are interested in having your child participate in the program, please complete the Choices application with King-Drew Magnet as the only choice.

CUSD resident students who are selected for the King-Drew Magnet High School of Medicine and Science are not eligible for transportation.

IS THERE TRANSPORTATION?

Transportation is available to some magnet programs. **BEFORE MAKING YOUR SELECTION,** contact the school or Transportation Services to determine if the magnet program offers transportation and if the closest pick-up/drop-off point is a reasonable distance from your home. Routes and pick-up/drop-off locations have been established for the 2027-2028 school year. No new stops will be added. For information about existing bus routes, contact Transportation Services Division at 1-800-LABUSES or (213) 580-2900.

District-paid transportation **MAY** be provided for ELEMENTARY (K-5/6) applicants if they reside outside a one-mile radius of the magnet program. District-paid transportation **MAY** be provided for SECONDARY (6-12) applicants if they reside outside a two-mile radius of the magnet program. Students attending the following span schools have a one-mile eligibility radius: 32nd Street/USC, Arroyo Seco, Lake Balboa, Laurel, Menlo, Sherman Oaks CES, Western Ave and Westside.

Students with disabilities enrolling in a Magnet Program may also have access to transportation. Magnet programs may offer school to school transportation for eligible students.

NOTE: The maximum one-way riding time for all students (grades Kindergarten through 12) is 90 minutes. This applies to all bus routes.

MAGNET PROGRAMS INFORMATION

MAGNET PRIORITY POINT SYSTEM – ON-TIME APPLICATIONS ONLY

Magnet Priority Points are only applicable to the magnet program. There are no points given for submitting an invalid (residing outside the District, applying to an incorrect grade level, etc.) or late application. Students who apply for the same grade twice will not earn waiting list points for the previous year.

12 points

MATRICULATION* | Applicants who have completed the highest grade level in a magnet program and apply to continue in another magnet program at the next level, are assigned 12 matriculation points. These points do not carry over and are assigned for one year only, at the time of matriculation. Applicants will NOT be assigned both Matriculation and Waiting List Points at the same time.
Applicants must have a valid enrollment in a magnet program by the on-time application deadline.

4-12 points

WAITING LIST | Applicants who remained on a valid on-time magnet waiting list are assigned 4 points for the following year. Applicants may accumulate waiting list points for the prior three consecutive years for a maximum of 12 points. If an applicant on a waiting list declines magnet placement, ALL waiting list points are removed. New waiting lists are established each year. Applicants will NOT be assigned both Matriculation and Waiting List Points at the same time.

4 points

PREDOMINANTLY HISPANIC, BLACK, ASIAN AND OTHER NON-ANGLO (PHBAO) SCHOOLS | Applicants, whose 2027-2028 resident Los Angeles Unified school is designated as PHBAO by the District, are assigned 4 points. Points are not cumulative; they are assigned yearly.

4 points

OVERCROWDED | Applicants, whose 2026-2027 resident Los Angeles Unified school is designated as overcrowded by District criteria are assigned 4 points. Points are not cumulative; they are assigned yearly.

3 points

SIBLING | Applicants applying to the same magnet school/program in which a brother or sister will be continuing, are assigned 3 points. **Points are assigned if the sibling is attending the applicant's 1st choice school**. Siblings must be associated in the same parent's Apply account and reside at the same address at the time of application, which must be reflected in the District's computer system. Each and every student must have an application on file, including twins, triplets, etc. **It is the parent's responsibility to verify that the siblings have the same address on file in the District's computer system at the current Los Angeles Unified school of attendance by the application deadline.**

* Applicants enrolled at elementary schools that culminate at 6th grade will be assigned matriculation points at either 5th or 6th grade. Students enrolled in multi-level magnet programs (32nd St/USC MAE, Eagle Rock HS, Franklin DLA, Fulton, Lake Balboa, Los Angeles CES, Maywood CES, Science Academy, Sherman Oaks CES, Sotomayor, Sun Valley BSEL and Valley Oaks CES) are not assigned matriculation points. Applicants enrolled at Arroyo Seco, Laurel, Menlo, Western Ave and Westside are assigned matriculation points only at the eighth grade.

- ■ Non-residential magnet school. Schools with no attendance boundary and no priority enrollment.
- ◆ Non-residential magnet school with a residential magnet kindergarten. Students residing in the attendance boundary and currently enrolled in TK have priority enrollment to Kindergarten. All other eligible Los Angeles Unified applicants will be selected provided space is available.
- ✪ A residential magnet school gives priority to students residing within its attendance boundary. All other eligible Los Angeles Unified applicants will be selected provided space is available.
- (IB) The International Baccalaureate Programme Organization (IBO) offers three levels of international education that span the primary, middle and secondary school years. Authorization to become an International Baccalaureate (IB) World School is an intensive process that typically takes two or more years and includes site visits by an IB team. A regular process of evaluation is undertaken by schools that have been authorized.
- The Magnet School of Merit Awards recognize magnet schools/programs that demonstrate an exemplary commitment to academic standards, curriculum innovation, desegregation/diversity efforts, specialized teaching staffs and parent and community involvement.
- National Certified Magnet Schools are recognized as the best magnet schools, demonstrating a consistent commitment to quality, equity, and community partnership across all districts through the Magnet Schools Standards of Excellence and its five pillars.

MAGNET PROGRAMS BY THEME

CAREER AND SOCIAL ENTREPRENEURSHIP
CENTER FOR ENRICHED STUDIES
GIFTED/HIGHLY GIFTED
LIBERAL ARTS
NEW MEDIA
SCIENCE/TECHNOLOGY/ENGINEERING /MATH
VISUAL AND PERFORMING ARTS

CAREER AND SOCIAL ENTREPRENEURSHIP (CSE)

Career and Social Entrepreneurship Magnets are designed and tailored to prepare young people who wish to pursue careers in animal science, fire, law enforcement (police) forensics, hospitality, medicine, law, business, and political science. There is a strong focus on critical thinking, problem solving and communication, enabling students to see the connections between their classroom curriculum and the challenges of today's world. Students will pursue novel applications that have the potential to solve community-based problems to create positive changes in society through their initiatives. Students will engage in business fundamentals and entrepreneurship, goal-setting, resource allocation, organization structure and management techniques.

CENTER FOR ENRICHED STUDIES (CES)

Center For Enriched Studies Magnets engage students in a rigorous instructional program that encourages cooperative learning, integrates project-based assignments and emphasizes creative and critical thinking in all disciplines. Students will be provided with a strong foundation in academics, which is necessary to succeed in postsecondary education and high-demand 21st century careers. Centers for Enriched Studies are multi-level secondary schools and offer numerous advanced placement and honors courses. The expectation is that the schools will score above the state average on state assessments.

MAGNET PROGRAMS BY THEME

GIFTED+

Gifted Magnets serve students who demonstrate ability or strong potential to work two years above grade level in academic subjects. These centers offer enriched interdisciplinary academic environments that are exciting, challenging, and encourage students to use creative/critical-thinking skills. High ability and Highly Gifted applicants may apply to a Gifted Magnet. **+Before applying to a Gifted or Highly Gifted Magnet, please read pages 7-8 as verification is required. Please note that a Magnet application must be submitted in addition to the verification form.**

HIGHLY GIFTED

Highly Gifted Magnet centers group students to allow for a demanding broad-based academic program. Emphasis is placed on problem solving and the development of higher level thinking skills, as well as positive social emotional growth. Priority will be given to highly gifted students (scoring 99.9%); however, students scoring at 99.5% and above on an L.A. Unified Intellectual Ability assessment may be accepted based on seat availability.

LIBERAL ARTS (LA)

Liberal Arts Magnets provide programs that prepare students to be knowledgeable citizens of the 21st century and empower them to meet the challenges of a rapidly changing world. The programs are dedicated to the formation of knowledge in Humanities, Social Policy or World Languages or to utilize alternative pedagogies. Academic excellence and commitment to the values of diversity, community and collaboration provide the foundation in Liberal Arts Magnet programs.

NEW MEDIA (NM)

New Media magnets provide students with a comprehensive education in the field of new media, which encompasses digital media, interactive media, and emerging technologies. These magnets equip students with the skills and knowledge necessary to thrive in the rapidly evolving landscape of digital media and communication. Through platforms like social media, blogs, and video-sharing websites, students can create and share their ideas, opinions, and creative works with a global audience.

MAGNET PROGRAMS BY THEME

SCIENCE/TECHNOLOGY/ENGINEERING/MATH (STEM)

Science, Technology, Engineering and Mathematics Magnets utilize innovative strategies and technology to engage students in investigation and discovery. This hands-on approach captures natural curiosity and stimulates interest, thereby building understanding and quality performance. There is a greater focus on those activities that allow students to engage in real world problems, actively participate in project-based assignments and experience learning activities that lead to higher level thinking. Finally, students will learn how these subjects integrate with other disciplines. **All schools listed will include at least one discipline of STEM.**

MAGNET PROGRAMS BY THEME

VISUAL AND PERFORMING ARTS (VAPA)

Visual and Performing Arts Magnets focus on learning the skills and knowledge for creating, refining, and sharing works in the Arts, Media the Entertainment industry. VAPA Magnets also promote teamwork, communication, creative thinking, and decision-making abilities. These are all traits needed to function successfully in the competitive and media-rich 21st century. Whether the student has already achieved a level of accomplishment or demonstrated an interest or potential to grow in an art form, Visual and Performing Arts Magnets provide highly rewarding learning experiences.

I met so many nice friends and staff through the PWT program.

- ISIS

PERMITS WITH TRANSPORTATION

PERMITS WITH TRANSPORTATION INFORMATION

WHAT IS THE PWT PROGRAM?

Permits With Transportation (PWT) is one of Los Angeles Unified's original integration programs and was established as a Court-Order to provide students with integrated school experiences within our district. PWT school assignments are made by the District and provide transportation to one of the following non-PHBAO schools: Revere MS, Portola MS or Taft HS. The PWT program does not provide transportation to magnets or any other Choices program.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

PWT students are enrolled in the regular school program and may take part in all programs and activities available to resident students at the school where they are selected. Students and parents are encouraged to participate in all school/community activities at the PWT school.

WHO IS ELIGIBLE?

Students who are in grades 6-12 during the 2027-2028 school year and reside within the following Los Angeles Unified resident school boundary sending areas are eligible to apply for the PWT program:

Middle School Sending Areas:
Audubon, Drew, Gompers, Harte Prep, Mann, Muir and Obama Global

High School Sending Areas:
Crenshaw, Dorsey, Dymally, Hawkins, Jordan, Locke, Manual Arts and Washington Prep.

HOW ARE STUDENTS SELECTED?

PWT priority selection is given to matriculating PWT students and students with siblings in the PWT program, while continuing at the same PWT school during the same year. The remaining PWT seats will be assigned randomly.

APPLICATION GUIDELINES:

- Do not submit a new application if your child is currently enrolled in the PWT program and wishes to continue at the same school.
- Applicants currently enrolled in the PWT program who apply and are selected to a Magnet program will automatically be dropped from their current PWT program, whether they accept or decline.
- If selected, parent/guardian may accept or decline online or by calling the school by the deadline on the selection letter. **If the parent/guardian does not respond by the deadline, it will be considered a decline.**
- Applicants MUST be residents of Los Angeles Unified at the time of application and while participating in the PWT program. **Post office boxes are not accepted.**
- Permits with Transportation (PWT) are Court-Ordered programs that require parents to select ONE federally identified ethnicity/race category on the application. Select the option next to the ethnicity or race that best describes the child for which you are applying. You may fill in the "Multi-ethnic" response to indicate the applicant is identified as more than one ethnicity/race but your application WILL NOT be processed unless you choose one of the federally identified ethnicity/race categories.

DUAL LANGUAGE EDUCATION PROGRAMS INFORMATION

WHAT ARE DUAL LANGUAGE EDUCATION PROGRAMS?

The goal of Dual Language Education (DLE) programs is to have students become bilingual, biliterate, and respectful of different cultures. During the instructional day students engage in learning language arts, math, science and other content areas.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

Los Angeles Unified School District offers more than 230 DLE programs for students from Transitional Kindergarten through 12th grade. Students can learn Arabic, Armenian, French, Japanese, Korean, Mandarin, or Spanish. These programs help students build language skills, succeed in school, and become leaders in their communities and the world.
Students can also earn awards as they learn new languages. They may receive awards in TK, kindergarten, 1st, 3rd, 5th, and 8th grades. In 12th grade, students who show strong skills in two or more languages can earn the State Seal of Biliteracy from the California Department of Education.

WHO IS ELIGIBLE?

The DLE programs are designed to provide support for a wide range of language learners:

- **English Learners (EL):** Students who are in the process of learning English as second language.
- **Initially Fluent English Proficient (IFEP):** Students who initially demonstrate proficiency in English.
- **Reclassified Fluent English Proficient (RFEP):** Students who were previously classified as English Learners and have demonstrated proficiency and fluency in English.
- **English Only (EO):** Students whose home language is English.

NOTE: DLE programs are open to families new to the country, English Learners who are recent arrival International Newcomers, who speak the target language of the DLE program, regardless of participating in a DLE program.

Language Classification: A student's official language classification is determined by the school completion of enrollment procedures.

What Dual Language Education Program Are Available for Language learners?

The District provides three Dual Language Education (DLE) Models.

Two-Way Immersion (TWI) Program:

This program model integrates native English speakers and native speakers of the target language, providing all students access to academic instruction in both languages.

Language Learners Eligible:

- English Learners (EL)
- Initially Fluent English Proficient (IFEP)
- Reclassified Fluent English Proficient (RFEP)
- English Only (EO)

Grades TK, K, and 1 Eligible:

- English Learners (ELs) who speak the target language of the program
- English Speakers (EO, IFEP, RFEP)

Grades 2-12* Eligible:

- English Learners (ELs) who speak the target language of the program
- English Speakers (EO, IFEP, RFEP) who have previously participated in a DLE program of the same target language

***Target language verification will be required for students new to LA Unified and students new to a DLE program in grades 2nd-12th with no prior DLE experience.**

- **Approximately 50% of each language group. (English Learners and English Speakers)**
- **By the application deadline, if there are fewer than 50 percent English Learners (ELs), or English Speakers to create a balanced classroom composition, the ratio of assignment will be composed of up to 2/3 from either language group.**

One-Way Immersion (OWI) Program:

This program is for English Learners whose primary home language is the target language of instruction. The program goal is to help students attain proficiency in English while maintaining their home language.

- **Language Learners Eligible: Grades TK-12**—English Learners (ELs) who speak the target language of the program including International Newcomers
- The whole class are English Learners who speak the program's target language.

DUAL LANGUAGE EDUCATION PROGRAMS INFORMATION

World Language Immersion (WLI) Program :

A program model providing English-speaking students access to academic content with targeted second language instruction. The goal of the program is to help students develop proficiency in a second language in addition to English.

Language Learners Eligible:

- English Only (EO) students
- Initially Fluent English Proficient (IFEP) students
- Reclassified Fluent English Proficient (RFEP) students
- English Learners (ELs) who speak the target language of the program (Per parent request)

Grades TK, K, 1 Eligible:

- English Speakers (EO, IFEP, RFEP)
- English Learners (ELs) who speak the target language of the program (Per parent request)

Grades 2-12* Eligible:

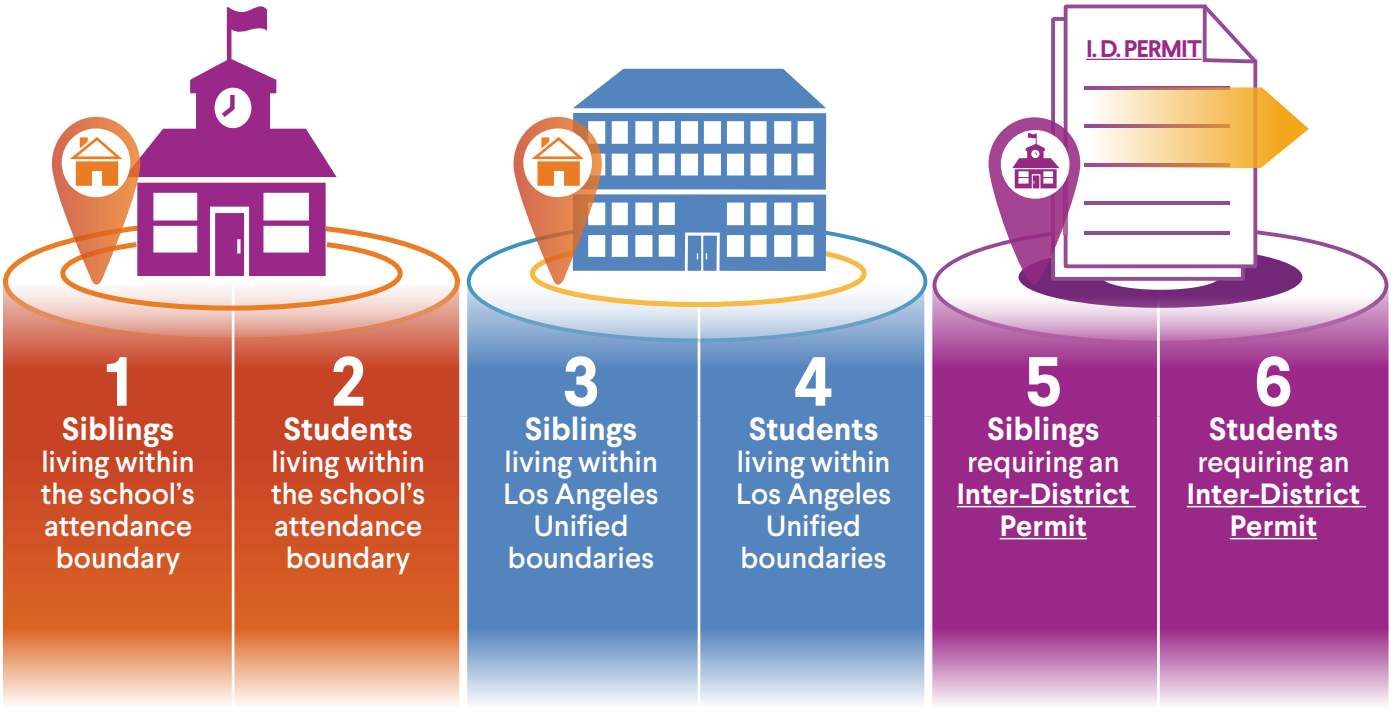

- English Speakers (EO, IFEP, RFEP) who have previously participated in a DLE program of the same target language
- English Learners (ELs) who speak the target language of the program (Per parent request)

Most of the class are English Speakers. (EO,IFEP, RFEP)

*Target language verification will be required for students new to LA Unified and students new to a DLE program in grades 2nd-12th with no prior DLE experience.

HOW ARE STUDENTS SELECTED?

Selection preferences for applicants will be applied in the following order

Schools with the symbol indicate Dual Language Education Programs with an alternative selection process. Please contact the school directly for more information.

- If a school site has more qualified applications than space available, the offer of seats to the program to students shall be based on priority order. There are no priority points for Dual Language Education programs. If the number of applicants exceeds the number of openings in a designated grade level, the student will then be placed on a waiting list.
- **Transitional Kindergarten (TK)**
  Some Dual Language Education program schools offer Transitional Kindergarten (TK) programs. Please contact individual schools for age requirements and further information.

INTERNATIONAL NEWCOMER ACADEMIES INFORMATION

WHAT ARE INTERNATIONAL NEWCOMER ACADEMIES?

The International Newcomer Academy (INA) is a learning academy intended for English Language Learners (ELs) who are non-US born High School students and who have been enrolled in U.S. schools for 0-3 years or less. The program is designed to support formal academic English, attainment of secondary content, meet A-G requirements for graduation, focus on project based learning, and intentional language instruction. Students actively engage in globally relevant themes and use the students' primary language to acquire new knowledge. A commitment to social emotional instruction, asset-based community development and culture are essential to the curriculum.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

Students enrolled in the International Newcomer Academy receive a curriculum with language integrated into the daily instruction. They are taught language in tandem with content to facilitate academic discussion, inquiry, and teamwork. Students collaborate with their peers to construct their understanding of subject matter. Culturally relevant and global themes are embedded in the curriculum, allowing students to create global connections, connections to their communities, and the world. The aspiration of the academy is to have multilingual students graduate college and career ready with proficiency in both the language they bring to the academy and academic English.

WHO IS ELIGIBLE?

Non-US born High School students who have been enrolled in U.S. schools for 0-3 years or less that speak a language other than English are eligible to participate and therefore will be selected.

HOW ARE STUDENTS SELECTED?

Resident students from Belmont High School and Bernstein High School must apply through Zones of Choice (ZOC). If a parent/guardian would like their child to attend an International Newcomer Academy (INA) within their ZOC, the parent/guardian must:

- select that site as their first choice during the ZOC selection process.
- complete a placement appeal through the ZOC office if the INA site was indicated as first choice on the ZOC application and the student was not assigned to INA.

Students who are assigned to a designated INA through the ZOC process and meet the eligibility criteria, will be selected to attend that site's INA. Non-resident students from Belmont HS and Bernstein HS wishing to participate in the INA will need to submit a Choices application.

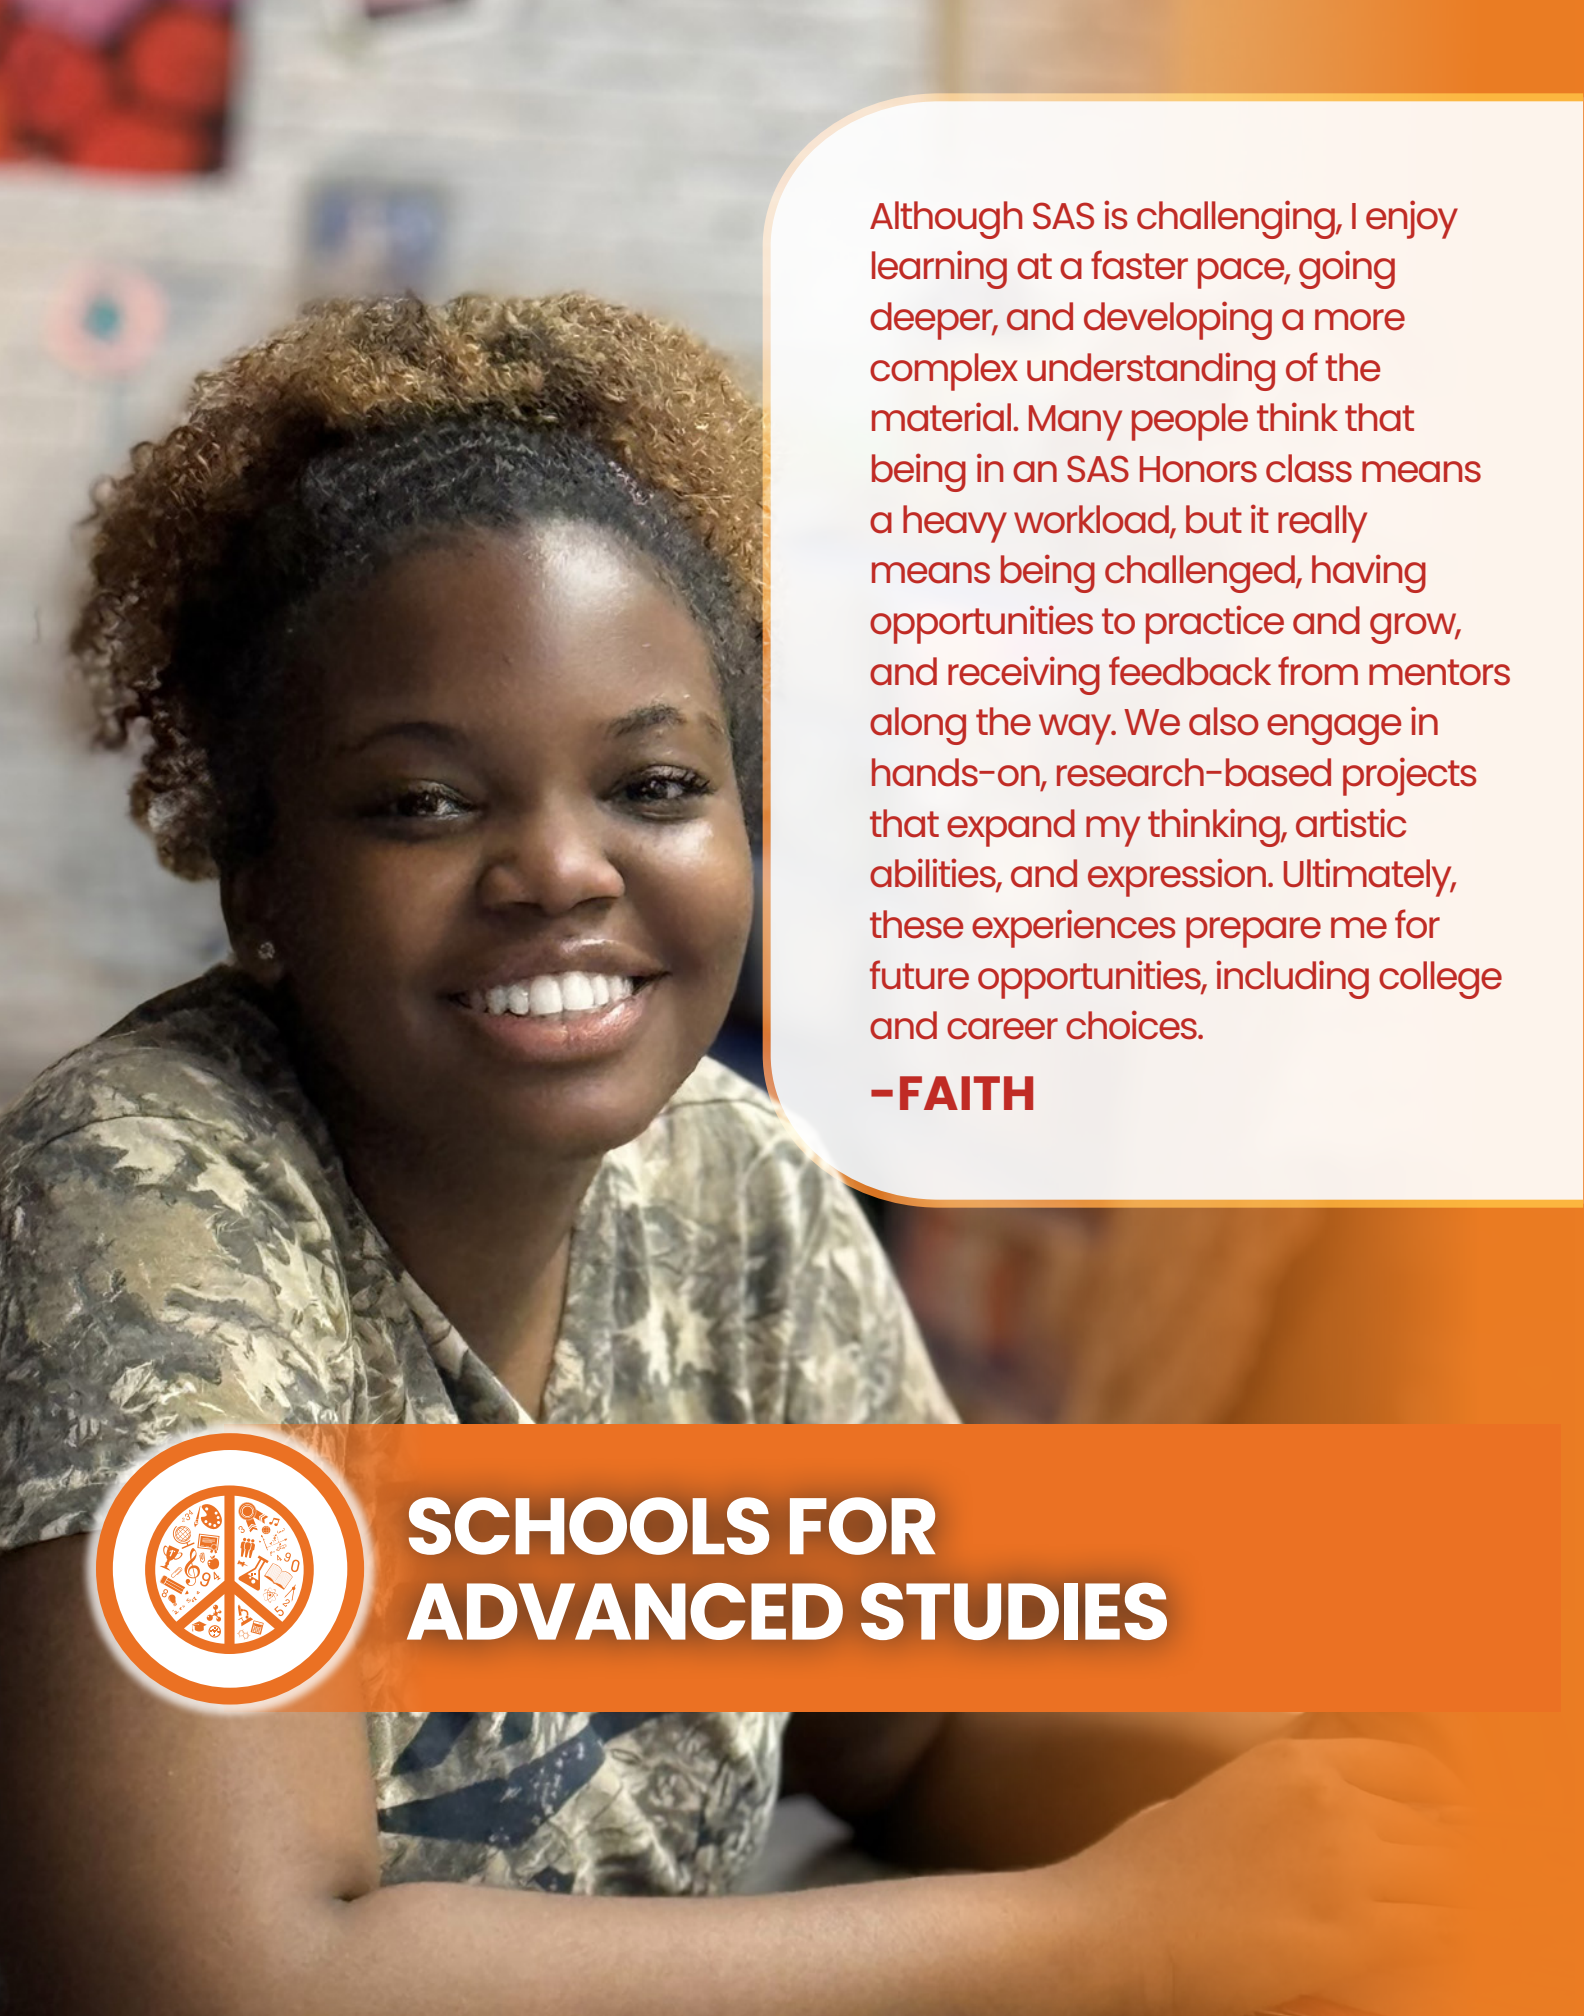

Van Nuys High School and Monroe High School are not ZOC schools. Non-resident students who wish to participate in the INA must submit a Choices application. Resident students should enroll at the school site.

For information about ZOC, please contact the ZOC office at (213) 241-0466 or email zoc@lausd.net.

Although SAS is challenging, I enjoy learning at a faster pace, going deeper, and developing a more complex understanding of the material. Many people think that being in an SAS Honors class means a heavy workload, but it really means being challenged, having opportunities to practice and grow, and receiving feedback from mentors along the way. We also engage in hands-on, research-based projects that expand my thinking, artistic abilities, and expression. Ultimately, these experiences prepare me for future opportunities, including college and career choices.

-FAITH

SCHOOLS FOR ADVANCED STUDIES

SCHOOLS FOR ADVANCED STUDIES INFORMATION

WHAT ARE SCHOOLS FOR ADVANCED STUDIES?

Schools for Advanced Studies (SAS) are Los Angeles Unified schools that have received a designation for equitable and exemplary Gifted and Talented Education (GATE) programs.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

All Los Angeles Unified schools have GATE programs in grades K–12 designed to support gifted, talented, and advanced students. As exemplary GATE models, SAS schools help gifted and advanced learners reach their fullest potential by providing differentiated instruction with depth, complexity, novelty, and acceleration. SAS schools also provide challenging and supportive learning environments, GATE family engagement, and ongoing professional learning for teachers focused on the unique academic and social-emotional needs of gifted, talented, and advanced students from diverse backgrounds.

WHO IS ELIGIBLE?

Students must be verified as meeting SAS eligibility criteria to participate. Detailed criteria and directions are available at **choices.lausd.net** and **gate.lausd.org**. Students in grades Pre-K–11 who live within an SAS school's attendance area can enroll without submitting a Choices application; these students are automatically included in the school's SAS/GATE program if they meet SAS criteria. Students in grades Pre-K–11 who live outside an SAS school's attendance area, but within Los Angeles Unified boundaries, may apply through the Choices process if they meet SAS criteria. Applicants who are currently enrolled in non-district schools – including private schools and independent charter schools – must submit an application and the required verification form by the published deadlines. Applicants who are not enrolled in a school, preschool, or transitional kindergarten (TK) program, or who are enrolled in an in-home private school (Private School Affidavit), are required to submit an application and email Gifted/Talented Programs at **GATE@lausd.net** before the application deadline to request verification.

KINDERGARTEN SAS ELIGIBILITY CRITERIA

Incoming kindergarten applicants must show strong thinking and problem-solving skills. Eligibility must be verified by a preschool or TK administrator using SAS kindergarten readiness criteria. Detailed criteria and directions are available at **gate.lausd.org**. Applicants who are not enrolled in preschool or TK are required to submit an application and email Gifted/Talented Programs at **GATE@lausd.net** before the application deadline to request verification.

HOW ARE STUDENTS SELECTED?

Students who live within the boundaries of the SAS school are placed first. If space is available, eligible applicants from outside the school boundaries may be selected through the Choices process. If there are more eligible applicants than available spaces, a random, unbiased selection process will be conducted. Applicants who are siblings of current continuing students at the school receive priority, if space is available.

HOW DO I APPLY TO AN AFFILIATED CHARTER OR ZONES OF CHOICE SCHOOL WITH THE SAS DESIGNATION?

Some Affiliated Charter Schools and Zones of Choice (ZOC) Schools have the SAS designation. Applications must be submitted through the Affiliated Charter or ZOC process. Students who are selected or assigned to the school and meet SAS eligibility criteria will be included in the school's SAS/GATE program unless the parent/guardian opts out.

SAS SINGLE GENDER ACADEMIES

WHAT ARE SAS SINGLE GENDER ACADEMIES?

Schools for Advanced Studies (SAS) Single Gender Academies offer rigorous academic programs in unique single gender learning environments. These schools are designed for gifted, advanced, and highly motivated students in grades 6–12. Students have access to Advanced Placement (AP) courses, dual enrollment college courses, and college preparation opportunities that support college and career readiness.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

Students will:

- Engage in a rigorous, college-preparatory curriculum with a strong focus on science, technology, engineering, and mathematics (STEM)
- Benefit from voluntary, student-driven enrollment in a single gender setting that supports academic excellence and personal growth
- Develop the intellectual curiosity and academic skills needed to excel in college and succeed in future careers
- Cultivate a strong, confident, and independent voice
- Build collaborative and compassionate leadership skills
- Foster a deep sense of self-awareness and connection to the community
- Embrace ethical leadership and a commitment to equity and integrity
- Live out the core values of excellence, leadership, and wellness in all aspects of their school experience

WHO IS ELIGIBLE?

Applicants must meet SAS eligibility criteria and voluntarily commit to the expectations of a rigorous, STEM-focused academic program in a single gender learning environment. It is the responsibility of the parent/guardian to review and follow all SAS verification of eligibility procedures before applying. Detailed criteria and directions are available at choices.lausd.net and gate.lausd.org.

HOW ARE STUDENTS SELECTED?

If there are more eligible applicants than spaces available, students will be selected through a random, unbiased selection process. The selection process for eligible SAS Single Gender Academy applicants will be conducted in this order:

1. Siblings living within the Los Angeles Unified boundaries
2. Applicants living within the Los Angeles Unified boundaries
3. Siblings living outside the Los Angeles Unified boundaries; Inter-District Permit required
4. Applicants living outside the Los Angeles Unified boundaries; Inter District Permit required

INDIVIDUALIZED HONORS PROGRAMS

WHAT ARE INDIVIDUALIZED HONORS PROGRAMS?

Some Schools for Advanced Studies (SAS) offer a high honors pathway called the Individualized Honors Program (IHP) for middle school students performing two to three grade levels above in core academic subjects. The IHP was created to support the unique needs of gifted, highly gifted, and academically advanced students who are ready for learning experiences that go beyond a typical honors middle school program. Students are expected to be ready for a rigorous, highly accelerated, and/or compacted curriculum in English, mathematics, history, and science.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

The IHP instructional program is designed to challenge and accelerate learning outcomes for students performing two to three grade levels above in core content areas by:

- Developing students' ability to critically analyze information through a lens of depth and complexity
- Engaging students in inquiry-based learning that emphasizes active listening, rigor, and deep understanding
- Promoting meaningful reflection and collaborative learning
- Cultivating respect for diverse perspectives, interests, and talents

WHO IS ELIGIBLE?

To be included in the IHP selection process, IHP applicants must meet SAS eligibility criteria and receive an eligible score on an IHP assessment. Detailed criteria and directions are available at choices.lausd.net and gate.lausd.org. To verify that students are performing two to three grade levels above, the IHP assessment includes written response items in mathematics and English language arts, as well as critical thinking and problem-solving. All on-time IHP applicants will be invited to participate in an in-person assessment which will be administered in December. Applicants will be contacted directly with detailed information about the assessment. It is the responsibility of the parent/guardian to review and follow all verification of eligibility procedures by the deadline.

HOW ARE STUDENTS SELECTED?

If there are more eligible applicants than spaces available, students will be selected through a random, unbiased selection process. The selection process for IHP applicants who meet eligibility criteria will be conducted in this order:

1. Siblings living within the school boundaries
2. Applicants living within the school boundaries
3. Siblings living within the Los Angeles Unified boundaries
4. Applicants living within the Los Angeles Unified boundaries
5. Siblings living outside the Los Angeles Unified boundaries; Inter-District Permit required
6. Applicants living outside the Los Angeles Unified boundaries; Inter-District Permit required

At Early College Academy I was challenged academically, supported by all staff, and inspired to accomplish what once seemed impossible - earning a high school diploma and an Associate's degree.

- RANDY

EARLY/MIDDLE COLLEGE PROGRAMS

EARLY/MIDDLE COLLEGES INFORMATION

WHAT ARE EARLY/MIDDLE COLLEGES?

Early/Middle Colleges are specialized educational programs that represent innovative partnerships between secondary schools and local community colleges. These programs are designed to expand college access and success, particularly for students who may benefit from nontraditional pathways. Early/Middle Colleges offer rigorous, student-centered programs that blend high school and college coursework, helping students develop the skills and confidence needed to succeed in postsecondary education and beyond.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

Early/Middle Colleges increase college access and completion by providing students with the opportunity to earn a high school diploma and up to two years of college credit that may lead to the earning of an AA degree. They also identify and support high school students who are underperforming relative to their potential, offering an alternative educational environment to re-engage them in their academic journey. Finally, they align high school and college curricula to ensure students are challenged academically and prepared for postsecondary success.

WHO IS ELIGIBLE?

Incoming 9th and 10th grade students are eligible to apply to Early College Academy and Middle College High School. Students who have been successful in these programs have had strong, consistent attendance and are committed to completing college-level coursework from ninth grade through senior year. Since students in college courses must follow the college requirements for course completion, academic standing (2.0 GPA or better), and attendance, these are also considerations for applicants.

In addition, all interested rising ninth grade students are invited to apply to Vladovic Harbor Teacher Preparation Academy (VHTPA). Applicants must receive an eligible score on a Early College assessment to be included in the VHTPA selection process. This assessment is the tool used to verify that students are performing two to three grade levels above, with multiple choice and written response test items in Mathematics, English Language Arts, critical thinking, and problem-solving. Students should prepare by engaging in California content standards beyond current grade level expectations. Only on-time applicants to VHTPA will be invited to participate in an in-person assessment which will be administered in December. Applicants will be contacted directly with detailed information about the assessment.

HOW ARE STUDENTS SELECTED?

If there are more qualified applicants than spaces available, a random, unbiased selection process will be conducted. The selection process for all on-time applicants who meet eligibility criteria will be conducted in this order:

1. Siblings residing within the Los Angeles Unified boundaries
2. Applicants residing within the Los Angeles Unified boundaries
3. Siblings residing outside the Los Angeles Unified boundaries; Inter-District Permit required
4. Applicants residing outside the Los Angeles Unified boundaries; Inter-District Permit required

AFFILIATED CHARTER SCHOOLS

AFFILIATED CHARTER SCHOOLS INFORMATION

WHAT ARE AFFILIATED CHARTER SCHOOLS?

Affiliated Charter Schools are public schools operated by the district. These schools became charter schools through a petition process approved by the Los Angeles Unified School District's Board of Education. They follow district policies while also having more flexibility and greater local decision-making.

WHAT ARE THE GOALS OF THE INSTRUCTIONAL PROGRAM?

Each Affiliated Charter School has its own instructional goals outlined in the school's charter. For more information about a school's programs and goals, please contact the school directly or visit the school's website.

WHO IS ELIGIBLE?

- Families that live within the school's attendance boundary do not need to apply. They can enroll directly with the school at Enroll.LAUSD.net.
- Families that live outside the school's attendance boundary must apply through the Choices application process online at Apply.LAUSD.net.
- Families that live in another school district's boundaries may also apply to attend an Affiliated Charter School.

Good to Know

- ✔ No permit is required to attend.
- ✔ There are no other eligibility requirements to apply to an Affiliated Charter School.

HOW ARE STUDENTS SELECTED?

Step 1: Parent/guardian submits an application on-time to be entered into the Public Random Drawing
Parents/guardians will:

- ☐ Check the on-time application dates and deadlines at Apply.LAUSD.net
- ☐ Decide which Affiliated Charter Schools to apply to
- ☐ Apply online at: Apply.LAUSD.net

Good to Know

- ✔ You may apply to multiple Affiliated Charter Schools.
- ✔ There is no ranking or order of preference.

Step 2: Public Random Drawing Process
Students who apply on time are entered into the public random drawing for each school selected. A public random drawing is only needed when applications exceed available seats.

Schools will:

- ☐ Post the public random drawing date and time on the school website and in the main office
- ☐ Hold the public random drawing in January
- ☐ Randomly select students based on selection priorities and available seats

Selection priorities for applicants will be applied in the following order for each grade level:

1. Siblings of continuing students and living within district boundaries
2. All other students living within district boundaries
3. Siblings of continuing students and living outside district boundaries
4. All other students living outside district boundaries

Good to Know

- ✔ Families do not need to attend the public random drawing.
- ✔ Students not selected in the drawing will be placed on a waiting list for one school year.
- ✔ Parents may also refer to the Affiliated Charter Schools Frequently Asked Questions (FAQ) available at Choices.LAUSD.net for more detailed information.

OTHER LOS ANGELES UNIFIED PROGRAMS

OPEN ENROLLMENT — K12OPENENROLLMENT.LAUSD.ORG

Thinking about a different school?
In California, the K-12 Open Enrollment program allows students to apply to ANY school in Los Angeles Unified (as long as it has open seats). This means you can try a different school instead of your assigned school. Applications usually open in the spring (check the exact date online at **k12openenrollment.lausd.org**. There are only a limited number of open spots at each school. If more students apply than there are spots, students are selected randomly in a computer drawing. Open Enrollment is a good option if you would like to attend a different neighborhood school.

Want to learn more?
- Ready to apply? Check our website: **k12openenrollment.lausd.org**.
- Visit any Los Angeles Unified school during the first week of May.
- Need more info? Call (213) 241-8044 for help.

Important!
Please don't use the application in this brochure; and, remember, the District does not guarantee transportation.

VIRTUAL ACADEMY — VIRTUALACADEMY.LAUSD.ORG

Thinking about virtual school?
Regular school is not for everyone, and Los Angeles Unified gets that. For families who want a different option, we offer Virtual Academies! These are online schools with different themes, like coding, business, or even arts. There are six Virtual Academies in total, each with classes from elementary to high school.

Want to learn more?
- Learn more about the different Virtual Academy programs.
- Ready to enroll? Sign up online at: **Enroll.LAUSD.net**.
- Need more info? Call LAUSD Virtual Academy at (213) 241-3180.

Important!
Please don't use the application in this brochure. Visit our website: **virtualacademy.LAUSD.org**.

ZONES OF CHOICE — ZOC.LAUSD.ORG

Zones of Choice means you have many wonderful school choices right in your neighborhood! Zones of Choice schools offer all sorts of programs, from art and business to science and social justice. They offer all kinds of awesome programs, from rocking out in band to building robots in science class.

Zones of Choice residents get to pick which schools they want to go to from all the options in the Zone. There are big schools, small schools, and even special programs called academies. As long as you live in the Zone of Choice, you may apply for any school there!

Things to remember:
- You can only go to a Zone of Choice school if your address is in that Zone.
- There might not be enough space for everyone in their first choice school.
- Zones of Choice schools are a great way to find something you are interested in learning about, like music, coding, or history!

Want to learn more?
- Check out the ZOC website: **ZOC.lausd.org**.
- Need more info? Call (213) 241-0466 or Email: **ZOC.lausd.org**.

Important!
Please don't use the application in this brochure; and, remember, the District does not guarantee transportation.

LAUSD AND LACCD DUAL AND CONCURRENT ENROLLMENT — SCHOOLCOUNSELING.LAUSD.ORG

Thinking about college credit?
LAUSD offers dual enrollment opportunities, allowing high school students to take college courses with the Los Angeles Community College District (LACCD) community colleges. Dual enrollment courses can count for both high school graduation requirements and college credit. In other words, students can earn double credit for the same course, potentially accelerating their path to higher education! Course availability will vary by school site. Contact your school counselor to inquire about specific offerings at your school.

LAUSD Dual Enrollment Program Benefits:
- Save money
- Save time
- Preview college life
- GPA boost
- Access college resources and services
- Explore Career interests

Want to learn more?
- Please visit the School Counseling Services Dual Enrollment webpage to access the Dual Enrollment Guide.
- Course availability is contingent upon the established academic pathway(s) identified by the high school. To learn more about course options, please visit the School Counseling Services Dual Enrollment webpage to access the Dual and Concurrent Enrollment Course Guide.
- Ready to enroll? Contact your high school counselor.
- Need more info? For assistance, contact the **Region College and Career Administrative Coordinator**.

Important!
- Please don't use the application in this brochure; visit our website: **schoolcounseling.lausd.org**

Discover what's possible with CHOICES!
