and Answer Session	new campus and program, and to have an online discussion with the Magnet Coordinator. To view our program at any time, go to: https://belvederems.lausd.org. Call David Conde at 323-266-5400 to schedule a Zoom meeting or school visit.
Transportation Eligibility Map:	Click Here
General Theme Description:	New Media magnets provide students with a comprehensive education in the field of new media, which encompasses digital media, interactive media, and emerging technologies. These magnets equip students with the skills and knowledge necessary to thrive in the rapidly evolving landscape of digital media and communication. Through platforms like social media, blogs, and video-sharing websites, students can create and share their ideas, opinions, and creative works with a global audience.

2027:

Success Secret:	Our philosophy is to provide a qualitative program that mets the challenges of our technologically advanced society. Our Media class begins with the introduction of word, powerpoint, excel and platforms necessary to advance to video production.. Students also learn to filter data and create charts and graphs. Students are taught digital photography and movie making techniques. Our program is designed to develop the student to their fullest potential as future leaders in in media and video production industries.
School Website:	https://belvederems.lausd.org
